

Cheshire Skin Clinic – Package Offers 2013

*Applies to all treatment courses booked between January 1st and June 30th 2013
1st treatment must be carried out by September 1st 2013*

******Platinum Advance + Special Treatment Course £1,500
Saving up to £2,000! Minimum saving over £500!***

This premier package consists of 6 extensive treatments with the VPLTM,
6 treatments with RF and over £150 of complimentary products from the
Eden Aesthetics – Agera & Epionce medical ranges.*

*Treatments with VPLTM (Variable Pulsed Light); hair removal, thread
vein/vascular removal, pigmentation, acne, scarring, stretch marks,
wrinkle reduction, collagen stimulation and skin rejuvenation – plus a
range of other dermatological conditions.*

*Treatments with RF (Radio Frequency); Non-surgical face lifts, cellulite,
muscular and sports injuries.*

*(*extensive treatments = many areas can be treated with no shot limit per
area – each anatomical area is treated as an individual treatment unless
otherwise stated at booking i.e. bikini & underarm combination – there
are some areas that are not applicable due to size i.e. full legs/back etc).*

*Please note – at your consultation Dr. Winnington will establish the best
package for you, this will be the one that offers you the optimum saving
applicable for your desired outcome, so you are guaranteed to be given the
treatment package with the largest savings!*
